## EDUCATION

---

<b>Doctor of Philosophy (Economics)</b>	2025 – present
Monash University	Melbourne, Australia
Supervisor: <a href="#">Dr Mallory Avery</a>	
<b>Master of Economics (Research)</b>	2023 – 2024
Monash University	Melbourne, Australia
Dean's Commendation List	
<b>Bachelor of Commerce (Accounting and Economics)</b>	2022
Monash University	Melbourne, Australia

## RESEARCH INTERESTS

---

Economics of education, experimental and behavioural economics, AI and technology in learning.

## WORK IN PROGRESS

---

### Beyond Moving Pictures: The Value of Interactivity in Learning Economics

A randomised field experiment in a large first-year microeconomics course, testing whether interacting with a graph teaches more than watching the same graph change. A randomised encouragement to use the tool separates the effect of the format from how much students actually use it. [AEA RCT Registry](#).

## TEACHING EXPERIENCE

---

Teaching Associate, Department of Economics, Monash University.

<b>ECC1550</b> Introductory Mathematics for Business and Economics	S1–S2 2024, S1–S2 2025
